**THE QUARTER AT TROPICANA – HOME OF ATLANTIC CITY'S  
LARGEST MOVIE SCREEN**

**ATLANTIC CITY, NJ – The Quarter at Tropicana Casino and Resort** holds the bragging rights to the area's largest movie screen at **The IMAX® Theater**. The movie screen, which is 75' x 55', is certainly one of the key attractions at The Quarter. For years the IMAX® Experience has transported audiences to places far beyond the reach of the imagination, and now, thanks to the new IMAX® DMR technology movie-goers can enjoy their favorite Hollywood titles in the gigantic, wraparound IMAX® format.

"The IMAX® Theater at Tropicana is the biggest movie screen in this part of the state," says **Mark Giannantonio**, president and chief executive officer of Tropicana Casino and Resort. "We are thrilled to have such an unbelievable attraction as part of The Quarter."

As the first and only theater of its kind in Atlantic City, The IMAX® Theater is but one of many new and exciting attractions featured at The Quarter at Tropicana. The IMAX® Experience revolutionizes the way people see movies. Through state-of-the-art imaging technology, IMAX®, the world's most technically advanced film and projection systems, delivers a larger than life motion picture adventure that completely immerses movie-goers into the on-screen action, whether presented in 3-D or traditional 2-D formats. The theater is available to guests for regular screenings, as well as for private group functions, special events and conventions.

The Quarter is the Tropicana's 200,000 square feet expansion project. The Las Vegas styled annex, which brings to life the all the exotic and glorious splendor of Old Havana through a three-story true-to-life streetscape, offers guests a stunning selection of 60 dining, shopping, entertainment and spa options. The Quarter at Tropicana is one of the largest and most ambitious development project in Atlantic City's recent history.
