LAFF MOBB hits the stage at Tropicana

Live Nation presents the hysterical comedic team LAFF MOBB on Saturday May 26th

ATLANTIC CITY, NJ (April 12, 2012) —They're not packin' heat, they're packin' jokes. Featuring some of the hottest up and coming comedic talent, LAFF MOBB is sure to make you die laughing when they take the stage at Tropicana Casino & Resort on Saturday, May 26, 2012.

LAFF MOBB features premier comedians Mark Viera, Red Grant, Roz G, and Rudy Rush. It was founded by Def Comedy Jam originator and producer Bob Sumner and prominent artist manager Arthur Spivak. Between the two of them, they have worked with Chris Tucker, Dave Chappelle, the Kings of Comedy, Bill Bellamy, Monique, Prince, Paul Reiser and many more.

Mark Viera's interest in comedy started while entertaining his family with his remarkably accurate portrayals from shows like "Carol Burnett", "Sanford and Son" and "Three's Company". More recently, his uncanny knack for seeing humor in the most ordinary situations can be seen on the critically acclaimed "Martin Lawrence Presents 1st Amendment Stand Up". His small screen debut was on NBC's Emmy Award winning show "30 Rock" and he has also performed on Comedy Central's stand up show presented by Russell Simmons airing this Spring. Mark's reputation as a trailblazer has earned him a leading position with the most recognized and highly sought after comedy group in the U.S., the Top Dogs of Comedy.

Red Grant can infect audiences with his signature laugh alone. The Washington, D.C. native discovered comedy when he was kicked off his college football team for having a bad attitude, forcing him to go back to selling cars, a job he hated. When his best friend suggested he try comedy, he took the advice and started working the D.C. comedy clubs and hasn't looked back. He recently served as host of "The Pimp Chronicles II Tour" featuring Katt Williams, Luenell (Borat) and Melanie Comarcho (Three Strikes). Most recently he was cast on VH1's "Reality Bites Back", and a guest on "Comics Unleashed with Byron Allen". He has also been featured on HBO's "Def Comedy Jam", NBC's "Later, Showtime at the Apollo", hosted "Teen Summit" for two years and was a seven time all-star on BET's "Comic View".

Roz G blazed into national prominence as a wildly popular finalist on NBC's 2006 season of "Last Comic Standing". She slays audiences with "I ain't got jokes... I got problems" as her true-to-life tag line. A recovering addict for 18 years, Roz uses her thunderous voice, voluptuous persona and unique perspective on situations to touch others. She has been featured on HBO's "Def Comedy Jam", Comedy Central's "Premium Blend", Jamie Foxx's "Laff-A-Palooza", BET's "Comic View" and "Showtime at the Apollo" to name a few. Her TV appearances include "Martin Lawrence Presents 1st Amendment Standup" and Byron Allen's "Comics Unleashed".

He has worked with the likes of David Chappelle and Martin Lawrence and appeared on "Def Comedy Jam", Jamie Foxx's "Laff-A-Palooza" and "Premium Blend" to name a few. Rudy's uncanny personality together with his comedic timing and wit have landed him on "The Doug Banks Morning Show" as well as his current spot as a co-host on the nationally syndicated radio program "Afternoon's with Doug and Dede".
